(Substitute ribs in your Double or Triple Combo for 2.99)

Our Meat turns pink when it's DONE.
We slow cook our Pit specialties over wood and charcoal for hours, giving our meat a distinct rosy hue. The smoke gives it that finger-licking, flavorful taste that could only come from authentic North Carolina barbecue.

Our hogs? Locally raised. Our ribs? Always fresh, never frozen.
Our turkeys? Free-range and all-natural.
No additives. No joke. Enjoy!
